

Dear parents/carers,

At Carlton Central Infant School and Foundation Unit we are always trying to further improve.

Every year we write a school improvement plan based on the needs of the children and on Government policies.

We have produced a parent/carer version of this so that you will know what our priorities are for the coming school year.

The main priority this year is attendance.

Please take some time to read the document. If there is anything you would like to ask please speak to a member of staff.
