

### School Milk.

If you would like your child to have milk in school you have to register for your child to have it.

Please note children under 5 and children that are entitled to receive free school meals will get their school milk free of charge; **HOWEVER**, you must still register your child to receive their free milk. The milk company only deliver to school the correct amount of milk for all children that have been registered.

When your child turns five the free milk stops and if you wish for your child to continue having milk you must register and you will then receive a payment request, without payment no milk will be sent into school for your child.
